PRELIMINARY AMENDMENT UNDER RULE 115

This is a preliminary amendment under 37 CFR §1.115 for the
accompanying continuation application filed pursuant to 35 USC §120, 37 CFR
§1.53(b) and §1.78(a).

The parent application (Serial No. 09/454,834) is pending; and its
remaining claims (claims 11-40) are expected to soon issue as a separate U.S.
Patent. Original claims 1-10 (of Serial No. 09/454,834) are the subject of this
continuation application.
